Subject: URGENT Reminder: Joint submission on draft EMF guidelines
Attachments: Comments Draft Guidelines.pdf

Dear all

ICNIRP is inviting comments on its draft guidelines, to be submitted by 9 October. Professor Emeritus Martin L. Pall has prepared *Comments on the Draft Guidelines* and we are collecting signatories for a joint submission.

If you are a scientist, MD or well informed about the risks of EMFs, we invite you to support the attached (Comments Draft mGuidelines) submission to ICNIRP. Please fill in - **by 7 October 2018** - the form at: <https://www.surveymonkey.com/r/3L8LYWK>. (*This will enable us to collect responses efficiently. IP addresses will NOT be collected.*)

You may alternatively respond, providing the following details, directly by email to: stop5gappeal@protonmail.com by **7 October 2018: Full name, Academic degree(s), Title(s), Affiliation(s), Place of residence, Country**

We will send the list of signatories to Professor Emeritus Martin Pall on October 8, for forwarding to ICNIRP to meet the deadline of 9 October.

Thank you in anticipation.

Rainer Nyberg,

EdD, professor emeritus
